RESOLVED

Following a presentation by the Labor Community Activist Network (LCAN) on April 8, 2003, the Civic Alliance resolved to support the LCAN Jobs proposal including recommendations to:

- Create a temporary subsidized-jobs program for New Yorkers out of work due to September 11 along the lines of the “Liberty Jobs” proposal by LCAN.
- Commit to “high roads” employment standards for jobs related to the reconstruction of Lower Manhattan by providing decent pay, benefits, training for employees, and opportunities for career advancement.
- Provide support for the development of a diverse economy by providing sector-based resources.
